To the Revd Mr Liegentzen ①  
at Kensington M<sup>d</sup>st.

Bartlet's Buildings.  
12. Nov<sup>r</sup>. 1737.

Revd Sir

I reced the enclosed by the Penny post  
in the condition you find it, and hope it has not suffered  
any more than to be half broke open.

I am confin'd to my Chamber by a pain in my side  
for which I have been blooded, and hope by other fautions  
to be able to attend my Duty next Tuesday?

The Secy of the East India ~~House~~ Company advises  
that our application to the C<sup>o</sup>. sh<sup>d</sup> be made this month  
and every thing ship'd before Christmas, because tho' there  
is a ship going after Christmas & that very soon, she will  
be crowded w<sup>th</sup> the Company's and other People's Effects.

I shall be glad therefore to receive early y<sup>r</sup>. Commands for  
the money, Beer & other Articles to be inserted in the appli-  
cation to the Court, being

To the Revd Mr A. V. Denne  
at Vauxhall Lambeth.

Bartlet's Buildings.  
12. Nov<sup>r</sup>. 1737.

Revd Sir

I have herewith sent Copies of D. Lisle  
& Mr Soley's Letters, and believe you will when you have  
compar'd them you will be surpriz'd at the Correspondence  
of their Opinions in so delicate an Affair, without having  
consulted each other. Nor do they to this Day know  
what each has said tho' Mr Soley desir'd it, but the duty  
chose rather to defer it till he came to Town, than to part  
w<sup>th</sup> a Copy without D<sup>r</sup> Lisle's leave.

2 I have been confined to my Chamber ever since Wednesday by a pain in my Side, for which I have been bled, and by the use of other Precautions hope to be able to attend my Duty on Tuesday. Mr. Tillam is so kind as to prepare the Saltbury computation required, & if it could have been reasonable to ask Mr. Archdeacon Denme to have prepared the 2 Short Letters to the Missionaries at Madras I am sure they would have been better done: However I will endeavour to do them as well as I can, and you will correct all Defects, as well as excuse them in

Rev<sup>d</sup> & Dear<sup>d</sup>?

every thing ship'd before 1<sup>st</sup> May because the only ship that goes after Christmas to Fort St. George will be dispatch'd in a hurry & crowded with the Company's & other people's effects.

I shall be glad therefore to receive the Commands of the Society for the money, Beer, and other Articles in time to be inserted in the Application to the Court.

I believe Mr. Hoare has rec'd no other Benefaction than 6 Six Guineas I paid him on account of the Mission, so you will please to consider w<sup>h</sup> Credit will be necessary to be lodg'd in Mr. Hoare's hands to purchase money for the Salaries & other Goods ordered to be bought for the Mission.

Our Mepenger asks yd. Pardon that he forgot to put up  
in this parcel yd. folio. No. 1. concerning which I wrote to you  
of 30.<sup>th</sup> June last, & now send it w<sup>th</sup> it. Mr. Downings answer  
which I believe I sent you a copy of in my last. This the  
Society's Mepenger has promised shall be sent to you by

As to y<sup>e</sup> true Christians' Manual consisting of five  
Exhortations &c. It has been perus'd & approv'd by  
several Members of y<sup>e</sup> Society as their Rules require in order  
to be inserted in the Society's List, so as to be dispers'd  
occasionally when writ for by their Members; but previous  
to this there must be a new Edit. of it with the large  
Alteration you propose to be made Pag. 8. and till that  
is done it can't be inserted in y<sup>e</sup> List. And upon consulting  
y<sup>e</sup> Lett<sup>r</sup> of 30. May. I don't find I am empower'd to treat  
w<sup>th</sup> any Bookseller about its reprinting it, and therefore  
have not mention'd it. As it is a bound book, no Bookseller  
in London will be willing to be at the charge of reprinting  
it without being secure of having a number taken off their  
hands as 400. or 500. Copies which is the lowest impression  
generally made, but after the book is known, & call'd for  
then they don't insist upon such terms, but will be content  
to reprint it as often as necessary, for occasional demands.  
And to encourage these Demands the Society give the  
Binding gratis or half the prime cost in Dues as they are  
call'd for, but to engage further would involve the Society  
under the same inconvenience as y<sup>e</sup> Booksellers now complain  
of, viz. having large remainders of Edit. of books, which  
they would be glad to sell for waste Paper left upon  
their hands. Your Commands herein before are

11<sup>th</sup> Octob<sup>r</sup>. N. S. By which ~~not only myself but several of~~  
y<sup>r</sup>. friends have been very much pleas'd to be inform'd that  
the change of air has contributed to the establishing y<sup>r</sup>. health.  
I shall be glad to hear this finds you happily arriv'd at  
Montpellier, whether I <sup>am been advis'd to</sup> have directed this to you as a private  
Gent. imagining that whatever the English ~~are~~ there, <sup>will all</sup>  
~~be well known to them, though I conceal y<sup>r</sup>. character for~~  
<sup>you</sup> reasons ~~they~~ <sup>you</sup> will easily apprehend; I have several letters  
by me for you, but I can send none of them till I have your  
orders <sup>leave</sup> for so doing, & how to direct them; only the enclosed from  
y<sup>r</sup>. Bro<sup>r</sup>. he desires me to forward when I write my self.

The loss to the Publick by Her Maj<sup>ties</sup> Death is a Subject not  
to be mentioned but with the greatest regret, and therefore I  
choose to refer you to the enclosed Print for an Acc<sup>t</sup>. of it  
with a sketch of her Character by one of the Clerg<sup>y</sup> of her Closet  
~~suppos'd to be Dr. A. C.~~ This is an event that I thought  
of too much importance not to be communicated, tho' I ~~see~~ <sup>reason</sup> this  
letter runs the risque of not reaching y<sup>r</sup>. hands, and therefore I  
have only to add that all y<sup>r</sup>. friends here are well; ~~that~~ W<sup>m</sup>. Bern-  
zintz call'd on me <sup>in person</sup> ~~last~~ <sup>even</sup> to enquire y<sup>r</sup>. health if I had heard  
from you, and send<sup>s</sup> his humble service desiring me to let you know  
that he deliver'd the message you charg'd him with, and that the  
person to whom it was deliver'd was very well pleas'd with it.

 To Messrs. Fowke, Morse, Torriano, Rous, Johnson } Merchants at Fort St George.

Gentlemen.

The Society for Promoting Christian Knowledge in their Letter to you of the 11. of January last gave a Clause of Credit to their Missionaries Messrs. Schultze Sartorius and Geister on their Fund in the Church Stock in the following words

Viz. For Fear there should be any mistake in our Estimate

By the " or any unforeseen Expenses should attend the Mission, we desire  
 Wager " that you Gentlemen would without any new Order from us, or  
 Cap. Raymond " any delay discharge all such demands as our Missionaries  
 " themselves either at Madras or Cudulore shall judge necessary  
 Dupd. by the " to be made from time to time on the Society's Cash in the Church

 Cap. Heveny " Stock stand.

The Society not knowing whether the Missionaries have comply'd with their Orders for beginning a Mission at Cudulore and for Lodging 1000. Pagodas in the Church Stock of the Money then in the hands of M. Schultze for future occasions and with the remainder to begin the new Mission at Cudulore. I am ordered to repeat the same clause as is now done, and to acquaint you that the Society have suspended sending their salaries for 1 year till they know how their Orders of last year are comply'd w<sup>th</sup>, which they have therefore renew'd this year as the only means they can think of to establish the Mission on a lasting Foundation.

M. Schultze by his Lett. of the 31. of Decr. Bay. f. C. 1736. signifies that he has a Balance } 1731. 30. 55  
 in his hands of.

Messrs. Sartorius and Geister in a Lett. dated 17 January 1736 } signify that they had all 1228. 26. 20  
 the remittance of 4 years 1735. in their hands amounting to.

 To which adding the remittance 1736 } 155. --

 1339. 5. -- Total.

8 The Society upon a View of these Summs think the Missionaries cannot want Money for their Salaries and to execute the Orders for beginning a new Mission at Fort St. David but for fear as I said before of any mistake in their estimate, I am ordered to desire as I now do that you would apportion the Missionary whether of them shall go to Fort St. David with us. shall be found necessary out of the Society's Fund in the Church Stocks.

The Society thank you for all y<sup>r</sup>. good Offices in favour of the Mission both at Madras and Tranquebar, and hope you will excuse any Trouble that may attend the continuance of them till it pleases God to crown them and y<sup>r</sup>. endeavour with a compleat Establishment for the enlargement of the Kingdom of our Blest Saviour among the Heathen in East India.

I remain

Gentlemen

Your most humble serv<sup>t</sup>.

To the Rev. Mr. Schultze  
at Fort St George.

London. 13. Dec<sup>r</sup>. 1737.

Rev<sup>d</sup> Sir Your Letters of the 15<sup>th</sup> and 31<sup>st</sup>. Dec<sup>r</sup>. 1736.

and 22. January foll. I recd<sup>d</sup> in Justice by the Grantham by the Wager and Shaftsbury, which being read to the Society gave them many Cap<sup>t</sup> Raymond. melancholly Reflections on the declining State of the Mission - thro' the Animadversions which you and y<sup>r</sup>. Fellow Labourers at

Duplicate by of Madras have indulg'd your selves in, directly in opposition - Beaufort to all the Pacifick Advice which the Society and your other - Cap<sup>t</sup> Stevens. Friends in England and Germany have been able to prescribe.

They have deliberately considered the contents of your Letters and till it pleases God to give you all a better Temper, and truer Zeal for the success of the Mission than of pursuing your private Biques founded in a great measure as they apprehend on disputes of a secular nature, foreign to the Spirit of Evangelick Missionaries, they have no hopes of seeing the once promising Mission at Madras restored to a happy Condition.

I am therefore commanded by the Society to refer you to the Orders sent over last year by the Nottingham, Captain Winter dated the 25. January, which for fear of miscarriage - are herewith repeated as their final and peremptory Resolution, that either you or your Colleagues Mess<sup>rs</sup> Portman & Gister - do forthwith remove and begin a new Mission at Fort St -

David, and in hopes of hearing by the next Ships of your com-  
-pliance therein, they recommend the Success to the Blessing of  
God, and the Grace of our Lord Jesus Christ which alone can effect  
the desired Change of all y<sup>r</sup>. Hearts.

In the mean time the Society have ordered the Things you  
mentioned in y<sup>r</sup> Invoice <sup>herewith sent</sup> to be transmitted to you by

consign'd as usual to their worthy Correspond<sup>t</sup> at  
Fort St George, and desire that what is directed to the  
Missionaries at Tranquebar may be carefully forwarded to them.

Mr Tillam one of our the Society's worthy Treasurers having  
examined the Account you last sent over has remark'd a few  
mistakes in the Additions of y<sup>r</sup>. Acc<sup>t</sup>. of Disbursements according  
to the Memorand. herewith sent.

May it please God to inspire you & your once beloved  
Colleagues w<sup>th</sup> that mutual Self denial, & Harmony, which  
may revive the drooping State of the Mission, and Silence the  
Triumph w<sup>th</sup> your Enemies must w<sup>th</sup> pleasure make on y<sup>r</sup>.  
Contentions are the wishes of the Society, and of

B. S.

The Society have signify'd by the  
Ships last year that whoever goes to  
Fort St David must make a proper Application  
to the Govern<sup>r</sup>. at Fort St George for leave to go  
thither, and to pray his protection.

And for fear of any deficiency of money  
to execute the orders of the Society, a letter of  
Credit is herewith sent our Society's Correspond<sup>t</sup>.  
at Fort St George.

To the Revd M<sup>r</sup>. Sartorius & Geister

<sup>Printed</sup>  
I have herewith sent a Copy  
of what has been publish'd in our  
News Papers concerning the progress  
of the Mission at Tranquebar, the  
Society would have been glad  
at the same time to have seen  
some Acc<sup>t</sup>. of the Mission at Ma-  
dras if the state of it would bear  
the light. I am sorry I have not a copy  
to send to M<sup>r</sup>. Sartorius & Geister, & therefore  
beg you would communicate this to them.  
London. 13. Dec. 1737.

Your Letter of 25. Sept. 1736. 17. Janry. and

14<sup>th</sup> of Feb<sup>y</sup> last came safe to hand by the Grantham and  
By the Wager  
Capt. Raymond  
Shaftsbury, which being perus'd & considered by the Society  
have furnish'd them w<sup>th</sup> fresh instances of the unchristian  
Discord, and want of Harmony that still reigns between you &  
Duplicate by J. M. Schulke: So that upon a serious deliberation on the present  
Beaufort State of the Mission as represented by both Parties, they find it  
Capt. Stevens absolutely necessary to adhere to the Orders, sent over last year

by the Nottingham Cap. Winter dated 25. Janry, which for fear  
of miscarriage are again repeated as their final peremptory  
Resolutions, that either you or Mr. Schultze do for this remove  
and begin a new Mission at ~~Port S. David~~ Fort S. David, and in hopes of  
hearing by the next Ships of y<sup>o</sup>. compliance therein, they recommend  
the Success to the Blessing of God, and the Grace of our Lord Jesus  
Christ w<sup>h</sup> alone can effect the desired Change of all y<sup>o</sup>. hearts.

The Society cannot approve of what you intimate about  
two independent Missions at Madras looking upon it as a  
Scheme that must end in the Ruin of the Mission itself.

The Society being informed that you sometimes make use  
of the high Coetual Malabar Translations of y<sup>o</sup>. Hymns  
among y<sup>o</sup>. Converts, though they be little, if at all understood  
by them, they hope it is not true, and therefore desire to know  
w<sup>h</sup> y<sup>o</sup>. Practice is in that Particular.

The Society have orderd the Things mentioned in the  
Invoice herew<sup>th</sup> sent to be transmitted to you by the Wager  
Capt. Raymond consigned as usual to their worthy Correspond<sup>ts</sup>  
at Fort S. George, and desire that what is directed to the  
Missionaries at Tranquebar may be carefully forwarded to them.

May it please God to inspire you and your once  
beloved Colleague w<sup>th</sup> that mutual Self Denial & Harmony  
which may revive the drooping State of the Mission, and silence  
the Triumph which your Enemies must w<sup>th</sup> Pleasure make on  
y<sup>o</sup>. Contentions, are the wishes of the Society and of

If you will get a Letter sign'd by the neighboring  
Clergymen and other noted persons such as Members of Parliamt  
or Justices of Peace &c. in yo<sup>r</sup> behalf, w<sup>th</sup> such alterations  
to the form herew<sup>t</sup> sent as can be made w<sup>th</sup> Truth, I am  
promis'd by a Gent<sup>l</sup> in this neighbourhood that it will at present  
produce a Benefaction of 8. pounds to you & yo<sup>r</sup> family which  
may perhaps be continued another year upon fresh application  
as I shall inform you. You will please to return the Certificate  
when sign'd to me, and the sooner the better

The Providence of God has remarkably brought this  
favour to you, by means of M<sup>r</sup> Norton a Charity Schoolmistress  
who came w<sup>th</sup> Joy to tell me of it at Eleven o'clock at night  
from some Acquaintance she had heard of you by M<sup>r</sup> Whitefield, and she  
heard of it, in conversation by accident that there was a  
Vacancy to be fill'd up in M<sup>r</sup> Part's Charity, & instructed me  
how to apply for it, which I immediately did, and hope by the  
appearance of things you may succeed, which if it does may  
help to make some Amends for yo<sup>r</sup> disappointment in M<sup>r</sup>

I recd. y<sup>r</sup> Lett<sup>r</sup>. of 31. Oct. and your

M<sup>r</sup> Dickens calling on me every

due at that Office. 4. 1. 0

Overpaid formerly by H. Newman. 5. 0. 0

So there remains now in my hand to be  
paid to y<sup>r</sup> Order. 5. 6. 0

I should not decline doing what you desire of seeing M<sup>r</sup>.  
Dickens, but in truth my ill State of health, the multiplicity  
of the Society's Commands, and the removal of Amicable  
Society Office from my neighbourhood to Fleet Street, oblige  
me to beg you would excuse me, and if I had known where  
M<sup>r</sup>. Dickens had lived, I should not have depended on his calling  
on me, & incurred a forfeiture, as I found when it was too  
late to prevent it.

I have by me the Rec<sup>d</sup>s from M<sup>r</sup> Tillard & M<sup>r</sup>. Mitchell w<sup>ch</sup>  
I don't send for want of a blank.

Our Messeng<sup>r</sup> says that the 50. Osterwald's Catechism  
were sent to you bound, because they are always bound except  
desired in Quire which you forgot to do. The York Land<sup>r</sup>  
has promised to enquire after y<sup>r</sup> Packet that was sent in  
August last if it has been wrong delivered, to whom &c.  
but the last return of the Carrier it seems to forget to make  
the Inquiry, & so our Messeng<sup>r</sup> must call again on him.

I am sorry for the disappointment but could not  
forgive my self delaying any longer letting you know of  
it and assure you that I am.

I These certify, that your humble Petitioner John  
Cannegood, Clerk, Minister of the Parishes of Oxenhall &  
Bauntley in the County and Diocese of Gloucester is a person  
of good Reputation and well esteem'd in his neighbourhood;  
has a wife, a modest, diligent and virtuous woman: and they  
both are far advanced in age, each being about Sixty one; &  
hath also three Daughters, two whereof are married, but the  
eldest & her Family, by reason of Sickness & sundry crosses  
& misfortunes in the world, have been very chargeable  
to her Parents of late, & may be still more, the other is yet  
single & hand-maid to her Father & Mother; and a Child of his  
then only surviving Son (who dy'd almost suddenly Novemb<sup>r</sup>  
was twelve month) hath been left in the main to his care & on  
provision ever since to his no small cost & trouble; that his  
certain income <sup>throughout</sup> to defray all necessary expenses at home &  
abroad doth not amount to much above 30. pounds per Ann<sup>o</sup>.  
when duly paid, as 'tis not always, nor has he any Estate in land  
or pension, or constant allowance otherwise <sup>except</sup> now & then perhaps  
a providential Token or Supply, for which Glory to be to God &  
Thanks unto men; neither can he be supposed to have much  
before hand in money; & his well & to his praise that he is out  
of Debt & hath had the least matter to spare; but should he  
live a while longer he may become incapable of Business entering  
or getting any thing in the way of his Function; for he wears off  
apace. And therefore we verily think upon the whole that he  
is an object well worthy of a share of M<sup>r</sup>. Cart's charitable  
Requests to poor Clergymen; & withall we earnestly desire that  
he may partake thereof this Year & the next, & must say

Capt. Raymond

I have <sup>humbly</sup> By order of the Society taken the liberty to acquaint you by the Beaufort the 13<sup>th</sup> of last Month that in return to y<sup>r</sup> kind letter of the 25<sup>th</sup> of Jan<sup>y</sup> last year they thought themselves oblig'd to make you the complement of being a Corresponding Member, in hopes you may be pleas'd to accept thereof, and as occasion offers to countenance the Mission which Providence has directed them to attempt founding at Madras, though the Society has fallen very short of their expectation for the reason you give, and which they find confirm'd by all their Correspond<sup>ts</sup> at Fort St. George. To remedy which as it seems to be the only expedient left, the Society have been advis'd to separate the contending Parties, and to attempt under y<sup>r</sup> Patronage the Founding a New Mission at Cudalore, leaving Mr. Schultze as the Senior Missionary to his option of going thither or staying at Madras, and if he chooses the latter that Mess<sup>rs</sup> Sartorius & Geister proceed thither, after having obtain'd y<sup>r</sup> leave & recommendation for so doing. I have accordingly upon presumption of which I have taken the liberty to recommend them to Gov<sup>r</sup> Hubbard's Protection which I doubt not will be back'd if thought reasonable by your recommendation. The Society have not troubled the Court of Directors here for a recommendation in this case, being inform'd that

you

(29)

you are fully impow'd to grant every thing they want towards beginning an undertaking of this nature, and that the establishment of a Mission at Cudalore, will meet with less opposition from the Romish Missionaries than at Madras, of which you must be allowed to be a better Judge than any body in this part of the world.

I am order'd in a particular manner to thank you for the kind assurances, signify'd in y<sup>r</sup>. Letter of favouring <sup>so far as</sup> ~~what~~ may be in y<sup>r</sup>. power the Mission in General, and to pray y<sup>r</sup>. acceptance of a small packet of books lately imported into their Store pos'd up in Chest D.M. Hon<sup>ble</sup> S<sup>r</sup>. The Society <sup>here</sup> for Promoting Christian Knowledge being advis'd to make an attempt for beginning a Mission to Cudalore for instructing the Heathen Natives in Christianity, they have accordingly recommended to Gov<sup>r</sup>. Benson the favouring such an undertaking by one or other of their Missionaries at Fort S<sup>t</sup>. George, and have order'd me to desire your protection and countenance to a Design which they hope may tend to the Glory of God, and in the issue advance the Interest of the Hon<sup>ble</sup> <sup>of India</sup> Company who from the beginning of the <sup>Protestant</sup> Mission on the Coast of Coromandel have been generous Patrons to it, upon all which accounts the Society doubt not of your ready concurrence in the prosecution of it, by such measures as shall be thought most advisable.

and when you signify y<sup>r</sup>. approbation of giving such

As to transferring the Stock W. Tillard has taken care

to S<sup>r</sup>. John Goulson &c. of the Trustees, and I will en-

impute to the discouraging State of it at Madras.

They will be glad to hear the Expedient of beginning

Your receipt from Mr Lamplugh  
was for 9. 17. 6. w<sup>ch</sup> is 1. more than I find in your

w<sup>ch</sup> the Messenger will I suppose find in Mr. Downing's  
Acco<sup>t</sup>.

S<sup>r</sup>. John Gerson does not object to the transferring  
off S<sup>r</sup>. Sea Community by Trustees in y<sup>e</sup> manner you  
have done, because it saves Mr. Belke the trouble of  
transferring it, but Mr Belke objects to y<sup>e</sup> Receipt for

And stock as far as it would go & that he shall want his full 9<sup>th</sup> Ann<sup>y</sup> of 10. at Lady day next.

I told him that S<sup>r</sup> J<sup>no</sup> Gonson & you both understood his order in y<sup>e</sup> sense you interpreted it, though upon revising it, it will bear y<sup>e</sup> construction M<sup>r</sup>. Belke says he intended of not exceeding the sum of 80. to be laid out. However since the stock is bought, & S<sup>r</sup> John has made the draught of a Deed agreeable to y<sup>e</sup> former construction M<sup>r</sup>. Belke is willing it should stand as it is, provided the 6<sup>th</sup> 16<sup>th</sup> — over — plus y<sup>e</sup> purchase money may be paid out of y<sup>e</sup> future savings of his Charity, & that he may receive y<sup>e</sup> 2<sup>nd</sup> int<sup>y</sup> that will be due at Lady day next. I should be glad to know y<sup>e</sup> mind in this 5<sup>th</sup> y<sup>e</sup> first convenience that I may acquaint S<sup>r</sup> J<sup>no</sup> Gonson w<sup>th</sup> it, to make the draught of y<sup>e</sup> Deed accordingly, and that you would send me such a Rec<sup>d</sup> as you would have me take out back of M<sup>r</sup>. Belke's order.

M<sup>r</sup>. Belke is aware that in y<sup>e</sup> manner you have done it, you have avoided <sup>afracture</sup> of 70. odd shill<sup>ings</sup> & pence that w<sup>o</sup>d have sounded very oddly in a Deed which is another reason for his acquiescing in y<sup>e</sup> sum you have laid out, provided you approve of y<sup>e</sup> expedient for making it 80. It seems M<sup>r</sup>. Belke meant as I suspected to lay out no more than 30. mil<sup>lions</sup>. Sea Annuit<sup>y</sup> stock for y<sup>e</sup> service of y<sup>e</sup> Mission according to the Min<sup>utes</sup> enclosed but as y<sup>e</sup> same is bought by M<sup>r</sup>. Tiltan, and can't well be altered w<sup>th</sup>out a good deal of trouble, M<sup>r</sup>. Belke is content the 6<sup>th</sup> 16<sup>th</sup> — above 80. be paid out of y<sup>e</sup> Savings

(3) Savings on his Charity hereafter, & that the sum of £100.  
in An. Stock remain as you have express'd it, which ex-  
=pedient having been mentioned to Mr. Tillard, he approves of  
it, and desires me to give his humble service to you. So that  
now you may give directions for engraving as soon as you  
please, & as soon as it is possible for your writings to be ready,  
I will give notice to Mr. Belke & the same witnesses as  
attended the execution of the other it being his desire to be  
present at his Signing the present Deed.

Mr. Belke is a little nice in having the writings

known have agreed to have a sermon at Bow Church on St Patrick's day, for which the Bp. of Salisbury is desired to preach on occasion, and D. Lisle readily yielded the use of his pulpit. I had the honour of your Letter with  
the encl<sup>d</sup> from Gov<sup>r</sup>. Belcher who ~~is~~ <sup>is</sup> apprehensive of

have at all affected Gov<sup>r</sup>. Belcher whose actions speak for themselves

if one may believe their own ~~Public~~ <sup>Testimonies</sup> by addresses to His

from N. Hampsh. complaining of Partiality in Gov<sup>r</sup>. Belcher  
to the Massachusetts about the Boundary between the 2. Provinces  
and while the Council of N. Hampsh. have declar'd the contrary, and  
both the Council & Assembly of  
the Massachusetts are so offended at the Decision in favour of  
N. Hampsh. at the lines, that they have appeal'd to His  
Majesty in ~~which does not seem to be proof of any Gov<sup>r</sup>. Partiality to their Interest,~~

The list of Books herewith sent ~~are~~

in y<sup>r</sup>. Lordships name to be furnish'd with them on the  
terms of the Society, and that he will take care for the  
payment of the charge of them. The Society have been  
acquiesced with the application, and if y<sup>r</sup>. Lordship approves of the  
use made of y<sup>r</sup>. name they have ~~readily agree~~ <sup>readily agree</sup> to

Any recommendation of this kind from y<sup>r</sup>. Lordship will always

the contents of W. Harkshorne's <sup>here with Kent</sup> letters on which the  
Society would be glad <sup>at Y<sup>r</sup>. Service</sup> to be favour'd with your  
advice. Whether any thing in their power may be  
done to lessen, ~~for it seems~~ the evils complained of  
~~either~~ by instilling instruction into the Child<sup>r</sup> of the Colliers  
or by using means to persuade the Proprietors of the Mines  
to consent to the Colliers being paid their Wages on Satur-

they are ~~obliged~~ now forced to trespass on the Sunday to

I am ashamed you should have so much trouble about enquiring after the Rev. Mr. Walter's Box of books without having an answer. Mr. George Smith our Messenger was ordered to call on the carrier to enquire after it, and give you an answer, but I find he has not done it. He told me that he had called once, but the Warehousekeeper was not in y<sup>e</sup> way, & that he would call again.

I have now sent my Clerk to enquire after it, & the Warehousekeeper at y<sup>e</sup> Swan near Holborn bridge says the Person who delivered it must come himself to make the Enquiry, but it happens he lives out of Town, as far as Kentish Town, & I doubt I shan't see him till Tuesday next, if I do before, he shall be directed to bring you an answer.

I find there was 10/4 paid for y<sup>e</sup> Carriage of y<sup>e</sup> Box 31. Dec<sup>r</sup>. last w<sup>ch</sup> I fear has been the temptation to neglect it. I am

Mr Highcote in these Buildings call'd here last Tuesday to pay <sup>you</sup> some Rent, which he said he would desire his wife to pay whenever you came this way, if he should not be at home.

J<sup>r</sup>. The Society for P<sup>r</sup>. M<sup>r</sup>. Deaneys our old friend assign'd some years since ~~2~~ <sup>10</sup> of a Bond from Col. Waller for 210. l. to Charitable Uses under the direction of the Society for Promoting Christian Knowledge, this Bond was put into the hands of M<sup>r</sup>. Lewis Thomas to solicit the payment of ~~it~~ when his own Affairs call'd him to Ireland: In consequence of which after several ~~attempts~~ solicitations, the 7<sup>th</sup> Dec<sup>r</sup>. 1730. the Colonel gave a Bond and Judgment for the paymt. of 337. 3. 6. <sup>being principal & interest</sup> the 7<sup>th</sup> of Dec. following to me or my Assigns in behalf of the Society for the P<sup>r</sup>. charitable Uses, and Judgment

(50) Judgment was enter'd in the Excheq.<sup>r</sup> Office in Dublin the  
in Hilary Term the same Year. And M<sup>r</sup> Thomas having  
acquiesced the Society with his proceedings therein w<sup>th</sup>  
the charges attending it, of which he laid an account  
before the Society the 10<sup>th</sup> of August. 1731. the same  
was ~~advised to be~~ paid, since which in June 1733. he drew  
upon the Society a Bill for 12:16:6<sup>d</sup> for further charges he  
had been at which was also paid. And when M<sup>r</sup>

Belcher of the Temple went over to Dublin <sup>last year</sup> 1736. he was desir'd to enquire after the writings which Mr. Thomas had left, but could get no access to them. However as Judgment is upon record <sup>in</sup> ~~the Society's~~ claim in Behalf of the Society stands good for recovering any thing that may be got by the Process, which at present seems dubious.

In the mean time I receiv'd a letter from Michael Molloy a copy of which I have enclosed, intending that he can discover where the Papers are if I will remit 13. l. for charges thereon together with something for his own trouble therein, as you will see by the letter. This letter has been laid before

will see by the letter. This letter has been laid before the Society, and as you happen to be at Dublin, several Gent. present thought I could not recommend it to a better friend to their Designs to <sup>favour</sup> ~~inform~~ <sup>your</sup> ~~yourself~~ <sup>opinion</sup> ~~and~~ <sup>thereon</sup> ~~them~~, w<sup>th</sup> <sup>whether</sup> ~~any~~ <sup>any</sup> ~~thing~~ <sup>thing</sup> may be recover'd for if the Case be <sup>as this is too much reason to fear</sup> ~~desperate~~ they have already been ~~at too much~~ <sup>at an</sup> expense which they will never be reimburs'd, and the Papers men-  
-tioned will be of no value to the possessor, ~~nor any body else~~ <sup>but to be restored to the owner</sup>.

If Mr. Dean Copping be in Dublin, he will readily give any assistance in this affair, being I believe versed in some of the transactions relating to it, but his being at Dublin being dubious, I have taken the liberty to request your advice herein, which the Society will esteem as a great favour.

Rev<sup>d</sup> S<sup>r</sup>. The Messen-  
ger went to him and has since made the following report to the Society viz. that he had been with W<sup>m</sup>. Withline the Carr<sup>n</sup>. to whose Bookkeeper (W<sup>m</sup>. Jarman) the packet was deliver'd 31. Dec<sup>r</sup>. last. That he had shewn W<sup>m</sup>. Walters's Lett<sup>r</sup>. to W<sup>m</sup>. Withline, that the Book-  
keeper that then was being discharg'd, W<sup>m</sup>. Withline & he had search'd the Warehouse in London but could not find it: That they then examin'd the Book & found it enter'd therein, and mark'd as sent down to Bristol. That W<sup>m</sup>. Withline was going to Bristol where he should be next Saturday, and he would then himself search the Warehouse being persuaded that it had been overlook'd by his Servants, and that he would give W<sup>m</sup>. Bond at Bristol with whom it was to have been left for W<sup>m</sup>. Walters an Acc<sup>t</sup>. thereof.

I believe this and some other like instances will oblige the Society not to pay the carriage of parcels before-  
hand, which occasions a neglect of such parcels, especially when they are <sup>at any time</sup> overloaded, those which the carriage is paid are laid by in a corner of the Ware-

I could have taken out the overpaym<sup>t</sup>. from one of the Casks

 it, however taking 7. weight out of y<sup>e</sup> 3<sup>d</sup> Cask will make the

I thank you for the  
pleasure you gave to the Society and many of y<sup>r</sup>.  
friends here beside my self, in y<sup>r</sup>. letters of the 2<sup>d</sup>. of  
March to the Rev. D. Hales and of the 6<sup>th</sup>. March to me  
the acc<sup>ts</sup>. of which were very acceptable <sup>concerning</sup> of the good  
disposition of the Officers & Garrison <sup>in general</sup> at Gibraltar  
to encourage a sense of Religion and Virtue there.

According to y<sup>r</sup>. advice the Society have sent to D.<sup>r</sup>  
Cunningham the Chaplain there, a large packet of  
Christian Monitors and small Tracts ag<sup>t</sup>. Popery, to  
which I believe D.<sup>r</sup> Hales has made a considerable  
addition.

Mr. Oglethorpe's safe arrival in y<sup>r</sup>. parts will I hope  
give new Vigor to the Inhabitants of Georgia, ~~with~~  
and compleat their happy <sup>on a happy foundation</sup> settlement, notwithstanding  
all the menaces from the Spaniards to disturb them.

I wish the inconveniences that ~~always~~ attend an  
infant settlement may not be too hard for your  
constitution tho<sup>gh</sup> Mr. Wesley & Mr. Ingham have  
surmounted them.

Mess<sup>rs</sup>. Bolzius and

situation of the Saltzburghers, and that they <sup>have</sup> ~~are~~ <sup>are</sup> ~~like~~ <sup>are</sup> ~~to~~

Willshire to whom carriage was paid here the 31. Dec<sup>r</sup>

laid, & I doubt the paying of Carriage beforehand has been  
one occasion of miscarriage of it. Mr Willshire  
promised the beginning of this month to make an effectual  
enquiry after it at his Warehouse at Bristol, as he had in  
vain done here, & to give you an Acc<sup>t</sup> of it. — Gray let me

Mr. Hoare makes a difficulty of accepting the  
charge of receiving the Rents at Wapping with those in  
York Buildings, but I hope at a Meeting of ~~the~~ Trustees he  
may be prevail'd with to do it, for in the way they are  
re'd at present there must be a dissolution of the Trust  
which I ~~am~~ <sup>much less</sup> ~~satisfy'd~~ <sup>intention</sup> hope is not the desire of any of  
the Trustees. There wants some repairs to the Houses  
in York Buildings which Mr. Hoare has sent to me for my con-  
sent to, but I think those things ought to be ~~separately~~  
agreed to at a Meeting if ~~they~~ <sup>it</sup> can be and therefore I  
sent him word that whatever he thought was necessary I  
did not doubt would be approv'd by the Trustees at their next  
Meeting.

The Repairs wanted are to secure the Vaults be-  
low Stairs from being overflow'd by the <sup>leading</sup> Water Pipes of the York  
Buildings & New River Comp<sup>y</sup> who have both been complain'd  
to & they each lay the fault upon other. <sup>so that the only way</sup>  
to remedy it is by a Coat of Clay on the outside <sup>of the foundations</sup> to fence ag<sup>t</sup>.  
the <sup>defect</sup> ~~ingress~~ of both which will be always liable to, and for

& if they do want of some such repair, the present lodgers in the House  
threaten to leave it. <sup>It</sup> Mr. Hoare insists upon being excus'd  
receiving the Rents at Wapping, I hope he will give up receiving  
the

95

the Rents in York Buildings, and that <sup>in such case</sup> you will not  
decline receiving the whole though I am it is trouble  
I never intended to ask of you, because you are so <sup>good</sup> <sup>much</sup>  
engaged otherwise <sup>in</sup> <sup>general</sup> <sup>charitable</sup> <sup>acts</sup> but it is so ab-  
-solutely necessary that one person should be receiver of all  
that if you decline it, I hope you will approve of some good  
Banker being the common Receiver of the Rents who  
may be accountable to the Trustees every year for his  
Rece. at a certain time <sup>upon</sup> they shall agree to  
distribute the several Rece. and because next Tuesday  
may be too short warning for W. Gardner if you approve  
or little <sup>of it</sup> I will give notice for a meeting <sup>at</sup> the Croft Key, or  
next Tuesday I might to dine together & finally  
settle the affair so as to want no more meetings!

P.S. till next Summer. I am

I submit to you whether it <sup>is</sup> most Cumble Sent.  
it may not be proper for all  
the Trustees at the next meeting or  
some other time to go to the Houses in  
York Buildings & Wapping to be informed of  
the situation of all the Houses. One Hackney Coach with  
all the Trustees will perform all in 3. hours time.

to make his Letter the more intelligible. I thought by  
the closeness of Queries, for we were beholden to Mr.

in being so long time on so unpromising a project, es-  
pecially as that part of the World is now involv'd in a

Dear Sir

13. July. 1730.

I am pleas'd to rec<sup>d</sup> yr.  
letter of so old a date as the 12<sup>th</sup> of last Month unanswer'd  
which for several weeks I have set down to answer but  
either I wanted something material to insert <sup>in</sup> ~~my~~ <sup>my</sup> ~~letter~~ <sup>answer</sup>  
or something that would admit of no delay has hitherto  
prevented me.

I rec'd yr. Bill on Messrs. Horne & Temple for 7:1:6.  
for the following Acco<sup>t</sup> viz.

The Rev. Mr. Holcombe's & yr. Subscription to	2:2:-
the Society 2:9 <sup>th</sup> end: at Lady Day last	2:2:-
For a packet of Books pr. Mr. Tillard	2:19:6
For charges on the Incendiary Office	7:1:6

When you desir'd me to use my Endeavours to get the  
Pension for Mrs. Martha Philipps a Clergyman's Widow I under-  
stood it to be to get her on the establish<sup>t</sup>. which I knew  
would be attended with great Difficulty, because they have  
admitted no new Pensioners for 4. Years past that their Fund  
might grow out of Debt by the Morality of the Pensioners  
but when I came to apply for it, I found she had been on the  
establishment for several years and they readily paid me 5. l. for  
her which I have paid to Mr. Horne according to the Rec<sup>d</sup>.  
enclos'd on yr. Acco<sup>t</sup>. and have cover'd also Mr. Holcombe's &  
yr. Rec<sup>d</sup>. for the articles above. I forwarded yr. Letter to  
Mr. Horne

Mr. Consul Cox at Aleppo has sent another letter of the 7<sup>th</sup> of March last on the subject of that you saw in Sep<sup>r</sup>. last in answer to the several Inquiries you very kindly turnish'd the Society with, upon which I am order'd to acquit you and Mr. Amb. Deac. Deane with the contents <sup>of it</sup> and I have <sup>accordingly</sup> sent a Copy of this Consul's letter which is pretty long to the Amb. Deac. at Rochester to be communicated to you, but I find he is since gone to Cambridge where if your occasions should invite you he will be glad to confer with you <sup>on the subject of the Consul's letter</sup> ~~to oblige the Society~~ to have y<sup>r</sup>. opinion thereon, in which you will very much oblige the Society. The Delaware Capt. Clatons is taken up by the Company to return to Scanderoon the 15<sup>th</sup> of Sep<sup>r</sup>. by which time I hope some answer may be prepar'd. I should have sent this to you <sup>in person</sup> ~~but~~ <sup>for the benefit</sup> a frank, but to tell you the truth, I doubt it would not go time.

Save this Post, the change of which you will be so  
 good as to excuse, and <sup>pleasure to, about</sup> signify when you may be  
 returning to London. So that I may wait on you  
 with the exception of the <sup>of the</sup> Autumn I should not be so happy as to  
 meet you. I am  
 Rev. S.

I shall be oblig'd to you  
 if you please to making  
 humble service available  
 to the Dean of Canterbury.  
 To the Rev. W. A. D. Deane at Cambridge

Barb. Building,  
 20. July. 1738

Rev. S. I have rec'd an Acct. of W. Hoare's  
 Disputing at the Anniversary Meeting of the Ch. Sch.  
 which being laid before the Standing Com: they have  
 agreed to value you would pay it, and W. Till and has  
 to find as promised to call on W. Hoare and <sup>discharge</sup> it.  
 I have rec'd a further letter from W. Consul Cox  
 by way of supplement to the former in a letter to W. A. Hoar  
 my Neighbour which being laid before the <sup>Standing Com:</sup> Society  
 last Tuesday I was order'd to acquit D. Lisle with it and desire  
 his advice thereon.

Mr. A. W. Letter from Tun-  
 bridge inform'd me of his being in Town I im-  
 mediately wrote to him to let him know how nar-  
 rowly you had mis'd conferring with him at Cambridge  
 and upon what subject. He sent me word that he  
 would call on me to see the Letters I mention'd which he  
 did yesterday and I shew'd him all. Upon which He P.  
 the most material objection to the Scheme. <sup>the consent of the Legant Com:</sup> which was <sup>largely</sup>  
 mention'd in his Letter was omitted in the Society's Letter. I  
 told him that was purposely done to avoid discovering who  
 made the objection, without pronouncing a refusal from the  
 Comp: before any attempt had been made for getting their  
 consent.

He said that he could have prote as much again as  
 he did to shew the impracticableness of the Scheme, but having us  
 read over his own & Mr. Soley's Letters of last Sep. which  
 do honour to the Consul at the same time they represent his perfect  
 as impracticable for the reasons they only hint at. D. Lisle is of opinion  
 that the Society will effectually answer the Consul's Letter by sending  
 entire Copies

(84)

Copies of Mr. Soley's, and his Letter on the Subject  
which he readily consents to for his Letter ~~and Mr. Soley's~~  
~~letter is at it were a confirmation of Dr. Hiffle's opinion~~  
without ever consulting him. I should have sent you Mr.  
Coxe's Lett<sup>r</sup> to W. Abbot if I could have done it without danger  
of trespassing on W. Franker. The Delaware is taken up  
to return to Scanderoon the 15<sup>th</sup> of Sep<sup>r</sup> before which time  
I hope the Society may be able to return some answer to  
the Consul's last letter. I am sorry to add that a great  
Blunder has been made by the Printer in Pag. 15 of the  
Appendix to Dr. Conybeare's Sermon, where 4 lines at top  
of Pag. 15. should have been at the bottom. W. Oliver  
is so sensible that the fault was occasioned by one of Mr. Down-  
ing men that he trusted to, that he has promised to reprint  
that leaf to correct it in all the Copies remaining un-  
distributed. I am Rev<sup>d</sup> Sir Y<sup>r</sup>. most humble Serv<sup>t</sup>

I have obey'd Y<sup>r</sup>. <sup>according to list</sup> ~~order~~ <sup>and</sup> ~~sent~~ <sup>sent</sup>  
in forwarding the letters I rec'd last week all out <sup>for</sup> ~~for~~  
Christophers are dispos'd into their proper Bags <sup>and then</sup>  
I have soon to send <sup>them</sup> by a ship daily expected to be put up,  
for the ~~Leeward~~ Islands, <sup>there being</sup> no ship going or like to go for sometime to Maryland.  
I have sent W. Holt's letter under cover to Mr. Vesey who has  
daily opportunities of forwarding it.

I should have delay'd sending this Acct<sup>t</sup> till I could have  
made it complete had I not just now rec'd the book here  
sent from the Gov<sup>r</sup> of ~~St. Vincent~~ <sup>St. Vincent</sup> which I could as a present  
to Y<sup>r</sup>. Lordship, that I ought to lose no time in conveying <sup>because</sup>  
it has been so long in coming.

Mr. Belcher and I <sup>often</sup> promise our selves the pleasure of  
paying our duty to Y<sup>r</sup>. L<sup>d</sup> at Fulham which I hope may be  
one of our little diversions in this vacation which has hitherto been  
diverted by our means and in the mean time <sup>if possible</sup> ~~if possible~~  
may be supposed that I am My Lord Y<sup>r</sup>. most obed<sup>t</sup>.

The Overplus the Society have allow'd me to charge to  
the Salisbury Account viz. <sup>3</sup> 3. 7 1/2

There are some other Charges attending it but I have put all to the  
Salisbury account as well what was ship'd on Account of the Mission<sup>ary</sup>  
and Ottmann's Salaries as for the Money ship'd for you.

This was no sooner done but all the men were press'd which has  
retard'd their departure, but I <sup>hear</sup> they have now got a Protection  
the Passengers from Holland being arriv'd in the River. If you have  
any more Letters let me have them as soon as you can.

I could not speak w<sup>th</sup> you the last time you was here about  
a Matter of Importance relating to the Mission at Tranquebar viz.

The Secy of the D. India Comp<sup>y</sup> has desir'd me to acquaint the Society w<sup>th</sup>  
you that if Good for the Missionaries at Tranquebar have of late <sup>been</sup>  
Years so increas'd upon the Clemency of the Court of Directors that they  
desire for the future that the parcels from Germany for Tranquebar, may  
be sent by the way of Denmark. I made the best Apology I could  
on this Occasion, but he bid me tell you that the Shipping Commee -

My last was of the 20<sup>th</sup> May acknowledging the Rec<sup>d</sup>  
of yr. Letter of 28<sup>th</sup> July 1737. which is the last I have rec<sup>d</sup> since w<sup>ch</sup> I have  
receiv'd yr. of 30<sup>th</sup> Jan<sup>y</sup> and 19<sup>th</sup> of Feb<sup>y</sup> last by which the Society were glad

End.

The uncertainty of opportunities, and the trouble attending  
the Remittance of Copper Money makes it wish'd that there  
had been 2. Half Years Salaries sent instead of One by this  
Ship, but now the Money is not to be had at the Mint, the  
last Coinage being all <sup>disposed of</sup> ~~spent~~, and this was taken up 2. or 3.  
Months before opportunity presented of sending it. If there  
should be a War, those opportunities will be still more rare  
and the risk greater; You will be pleas'd therefore to

I have delivered 2. large Packets

to you in Georgia by Draughts on Will<sup>m</sup>. Tillard Esq<sup>r</sup>. our  
Treasurer as formerly mentioned, the Society allowing the  
poundage of 6. d. for each pound you draw, to the Merchant  
or Person that supplies you with Money for y<sup>r</sup>. Bills, the  
Society being at a much greater expense in the way y<sup>r</sup>. Salaries  
are now sent.

I hope Mr. Oglethorpe's arrival in Georgia has <sup>establish'd</sup> brought  
tranquility to the Colony ~~if they did not enjoy it before~~ <sup>in this world</sup>  
that they will enjoy a completion of their wishes, under  
his Administration. My service to Mr. Tills and
